

**INTERNET-BASED EDUCATION SUPPORT SYSTEM,  
METHOD AND MEDIUM WITH MODULAR TEXT-  
EDITING COMPONENT FOR USE IN A WEB-BASED  
APPLICATION**

**Abstract of the Disclosure**

A system, method and medium for accessing a text editor, accessing a text tool, and associating text tool data with the text editor. The text editor may invoke the text tool. The text tool data may be stored as HyperText Markup Language, or translated to a displayable format at run time.
